

Many Hands – Many Gifts Support the Wheatland Cause

Thanks to you, our donors and volunteers, Wheatland Music Organization continues to be a strong, well-managed organization that is successful in meeting its mission of preserving and presenting the traditional arts and serving as a regional resource center. Each year WMO serves over 30,000 people through Festival, Community Education programs in schools, pre-schools, libraries, senior sites, Music/Dance Lessons and Arts/Music Classes, Scholarships, Traditional Arts Weekend, Jamborees and Dances, Wheatscouts and other activities underwritten by WMO. Over the course of a year, over 1,000 volunteers contribute their time and talents to make sure quality arts is presented and that the property is well maintained. Volunteers hammer nails, plant trees, store picnic tables, serve on committees that plan year-round activities, work shifts during the festival and much more.

Each year we must raise over \$500,000 to pay for festival costs, year-round programming, provide resource center services and maintain our beautiful grounds and facilities. Together, we raise the dollars needed through ticket and t-shirt sales, raffle, memberships and benefactor gifts, directed gifts (earmarked for an activity or item of your choice), main stage gifts (toward building and maintenance), and long term giving (for long term operations).

You have many options in supporting the Wheatland cause. Because Wheatland Music Organization, Inc. is a tax-exempt organization with a charitable and educational mission, all outright gifts are tax deductible as allowed by law. As a volunteer, you may be able to deduct your mileage up to 14 cents per mile for travel to and from volunteer duties such as committee work, meetings and workdays. The following form may be used to make a donation.
