June 17-21, 2024 for the 8th annual Summer Wheat
Music Camp...
Wheatland's Best Kept Secret.**

Small group and one-on-one instruction workshops make learning fun, caring, and productive.

"Summer Wheat is a week of small classes that are honestly almost like private lessons for music makers on all levels. I left camp with enough tunes to join jams at the Wheatland festival. The community at this camp feels so welcoming and is in the spirit of what Wheatland is all about."
