IRISH FIDDLE – INTERMEDIATE LEVEL | INSTRUCTOR: PATRICK OURCEAU

Required Skills: *Participants should have a basic ability to play and tune their instrument.*

Recommended Materials: *Audio recording device (hand-held recorder, cell phone with recording app, etc.)*

This class will focus on the basic technical aspects of playing traditional Irish music on the fiddle. These will include bowing/phrasing, left-hand and bow-hand ornamentations, tips on developing or improving tone and on how to practice more efficiently. I only teach by ear and strongly recommend students to bring some type of audio recording device. The emphasis of this class will be on listening and I will discuss the importance of simplicity and melodic integrity in interpretation of the music. I will also stress the importance of finding and learning good settings of tunes in developing repertoire and will present examples to illustrate the great variety of individual and regional styles in the music. The various tools acquired during the week will give students the ability to better differentiate various styles of playing and the confidence and skills to learn music more easily on their own.

FIDDLE (continued)

IRISH FIDDLE – ADVANCED LEVEL | INSTRUCTOR: PATRICK OURCEAU

Required Skills: *Appropriate knowledge of the genre and ability to play tunes at a medium pace.*

Recommended Materials: *Audio recording device (hand-held recorder, cell phone with recording app, etc.)*

In this class, the focus will be more on repertoire. I will show students various settings of better-known tunes and more unfamiliar ones. Technical aspects such as bowing/phrasing, left-hand and bow-hand ornamentations and tone production will be covered as well. The emphasis of this class will be more on finding expression in the music, on exploring possibilities in variations in tunes while maintaining great melodic integrity rather than on speed and technical display. Listening will also be a focus of this class.

GUITAR

BEGINNING GUITAR | INSTRUCTOR: BANJO-JIM FOERCH | OPEN TO ALL LEVELS | REQUIRED SKILLS: NONE

For students who would like to learn the basics needed to start right from scratch.

OLD TIME GUITAR ACCOMPANIMENT & TECHNIQUES

INSTRUCTOR: MARK PALMS | OPEN TO ALL LEVELS | REQUIRED SKILLS: NONE

If you ask ten different old-time musicians to define old-time music, you're liable to get ten different answers. Definitions range from narrow to broad and the borders are fuzzy, but the style was a direct ancestor of Bluegrass. In this class we'll focus on the early techniques of "getting together to play old time music" with an emphasis on solid rhythms and bass runs, and accompaniment for fiddle tunes and songs.

OLD TIME SONGS & GUITAR ACCOMPANIMENT | INSTRUCTOR: MARK PALMS | OPEN TO ALL LEVELS

Required Skills: *Bring your instrument (with basic skills) or your voice to sing along.*

An old-time jam is naturally a place where folks get together to play tunes, but songs may be played as well. We'll learn Carter family repertoire and early gospel songs. And as a group we'll work toward a performance level incorporating musical ideas and simple harmonies.

BLUEGRASS (FLATPICKING) GUITAR – INTERMEDIATE LEVEL | INSTRUCTOR: JIM HURST

Required Skills: *Ability to tune and use capos, pick out simple melodies, and play simple rhythm*

Recommended Materials: *Note-taking supplies, lists of questions, etc.*

This class will revisit the fundamentals of playing Bluegrass guitar, focusing on the tools that allow us to grow at a general good pace, to gain understanding and confidence to be able to play with others including jams. Importance of timing, scales, chord switching, hand positions, melody, rhythm, and single-note picking.

BLUEGRASS (FLATPICKING) GUITAR – ADVANCED LEVEL | INSTRUCTOR: JIM HURST

Required Skills: *Ability to play melodies at moderate speeds, and in two keys and/or two neck positions*

Recommended Materials: *Note-taking supplies, lists of questions, etc.*

This class will focus on the importance of melody and timing, scales, chord shapes and position including introduction into the CAGED system. Revisiting fundamentals and building tools that allow us to grow and gain understanding of the fretboard, and ultimately confidence.

DOBRO | INSTRUCTOR: DREW HOWARD | OPEN TO ALL LEVELS | REQUIRED SKILLS: NONE

For students who would like to learn the basics needed to start right from scratch.

OLD TIME (CLAWHAMMER) BANJO – INTERMEDIATE LEVEL | INSTRUCTOR: TRAVIS STUART |

Required Skills: Participants should have a basic ability to play and tune their instrument.

We will work on some basic well known Clawhammer banjo tunes in standard G tuning. We'll learn a few basic tricks and tips for improving timing and tone for getting a better banjo sound. Also, toward the end of the week we will explore a few different tunings to expand your knowledge of different keys.

OLD TIME (CLAWHAMMER) BANJO – ADVANCED LEVEL | INSTRUCTOR: TRAVIS STUART

Required Skills: An appropriate knowledge of the genre and ability to play tunes at a medium pace.

In this class we will explore some alternative tunings used in solo banjo playing from some of the late masters from the mountains. Also we will cover topics such as playing with a fiddler, getting better tone, and styles of regions in Appalachia. We will cover left and right hand techniques, basic chord structures, and general tips for improving your banjo playing.

BLUEGRASS (FINGERSTYLE) BANJO – INTERMEDIATE LEVEL | INSTRUCTOR: ALLEN BATES

Required Skills: Participants should have a basic ability to play and tune their instrument.

In this class we'll focus on good solid basics, helping you get off to a great start. We'll tackle effective practice techniques, working with tablature, use of finger picks, tuning basics, the use of capos, timing and rhythm, tips and tricks for tackling tough chords, and learning how to build speed. We'll learn many of the common rolls that most banjo pickers use. We'll also begin a focus of learning our banjo necks well, and we'll tackle a beginner-level song together.

BLUEGRASS (FINGER STYLE) BANJO – ADVANCED LEVEL | INSTRUCTOR: ALLEN BATES

Required Skills: An appropriate knowledge of the genre and ability to play tunes at a medium pace.

In this class we'll assume that the students can play a few songs from beginning to end. We'll focus on playing those songs in a group setting, including some jam session tips and tricks. We'll discuss how to build a lead to a song from scratch. We'll learn about the Nashville Numbering System and how this can help us play in several keys without the capo. We'll focus on learning our banjo necks well, and we'll learn a song together in class. We'll also tackle many prominent Scruggs licks that you hear so many pickers use when they perform.
