Welcome to the 46th Annual

Wheatland Music

As with all large gatherings there are some guidelines and rules that need to be followed in order to provide a safe, healthy and happy experience for those attending. You would have received an insert with your wristbands explaining them. Some of those are:

FRIDAY MORNING ON THE ROAD

- No parking on 50th between M20 and Pierce Rd.
- No parking before a reasonable time on Friday, Sept 6, 2019.
- Respect the neighbor's property and privacy.
- Stay in your vehicles while waiting in line.
- Be patient. We will let you in as soon as possible. There is room for everyone.

When you are on the road Friday morning waiting to enter, remember that State Laws apply. Once in the festival grounds, County Officers will be on-site for assistance.

We ask in advance that you respect the reasons we do this. As you enter the festival please cooperate with the safety volunteers out there who will work hard to help everyone find a comfortable place to camp.

NEW THIS YEAR:

ATM's will be available onsite.

FESTIVAL ENTRY & CAMPGROUND RULES

- Remember, all vehicles and campers are subject to search when on the festival site.
- Pedestrians/Walk-ins will only be allowed after vehicle traffic clears.

SERVICE, EMOTIONAL SUPPORT AND THERAPY ANIMALS

WMO has received questions regarding whether service, emotional support, or therapy animals are allowed entry to the Wheatland Music Festival and other events. WMO follows the Americans with Disabilities Act (ADA) allowing trained service animals on site under the control of their owners. Emotional support animals and therapy animals are not considered service animals under the ADA and are not allowed entry. The same is true with service animals 'in training.' (Please see WMO's festival guidelines regarding pets.)

If you are attending a Wheatland event with a service animal, we want to make entry onto the Wheatland grounds as easy as possible for you, and also make the event experience enjoyable for everyone. If you intend to bring a service animal to the festival please:

1. Contact the Wheatland Music Organization (WMO) office and request a copy of the WMO Liability Agreement for Service Animals.
2. Complete and return the agreement, along with a copy of your animal's current rabies vaccination.

Once WMO receives that information we will send you a copy of federal guidelines regarding service animals, and a band you can affix to your service collar or harness during Festival. The band will show event workers that your service animal has already been cleared. You can also take care of the above at the Main Gate when you arrive, but pre-registering will make it much easier all around.

Thanks for your cooperation & Happy Wheatland!

FESTIVAL MANAGEMENT COMMITTEE

Festival

- We ask that campers adhere to the "Squeeze Please" rule. Saving space for persons who have not arrived yet is not allowed.

- If you plan on drinking alcoholic beverages, please carry picture ID.
- No bicycles or personal transportation devices other than those designated for handicap use.
- No open flame devices, unless designed for cooking.
- Unauthorized vending, solicitation or dissemination of information is not allowed at the festival. Those who violate this will be asked to leave.
- No generators allowed.

- Cooking areas are provided on the perimeter of these areas.
- No portable structures in the concert seating area.
